Export to file

Your database extraction will now be processed. When your file is complete, we will notify you by e-mail.

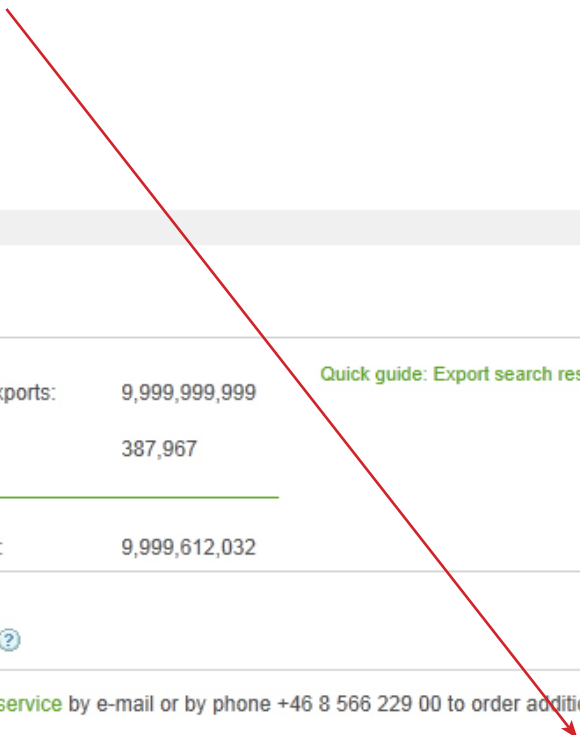

Your file will be retrievable on [My pages](#) where you also can see the status of previous database extractions.

STATUS

Your database extract may have the following status:

- Queuing** – your extract is waiting to be processed.
- In process** – your extract is being processed.
- Ready** – your extract has been processed.
- Failed** – some error has occurred.
- Database extract on hold** – the disc space for extracts is full.
